CENTRAL HAWKE'S BAY'S ROTARY RIVER PATHWAY

WAIPAWA, WAIPUKURAU & SOUTH
 Pekapeka Wetland

CHB Rotary River Pathway

The Central Hawke's Bay 'Tukituki Trail' runs between the towns of Waipukurau and Waipawa. You can start at Russell Park, Waipukurau and follow the stopbanks of the Tukituki River. The mostly flat trails are a rural ride, which is naturally bordered by private farms and the river bank. A highlight is the dedicated cycling/walking suspension bridge near the end of Tapairu Road.

You can then return to Russell Park the other side of the river (11km) or you can carry on via Tapairu Road to Waipawa (12km).

From Russell Park a new 5km extension is underway up to Lindsay Bush. Cross the bridge, using the clip-on and take the trail in the other direction. Enjoy a short walk around this beautiful, protected and ancient native bush reserve.

Gum Tree Mountain Bike Park is popular and can be accessed at the end of Mt Herbert Road.

Wairoa River Pathway

Wairoa is the main town of Northern Hawkes' Bay and is the gateway to Lake Waikaremoana, and the wilderness of Te Urewera and Mahia Peninsula. Wairoa in Māori means 'Long Water' and located on the banks of the expansive Wairoa River which provides an excellent and sheltered venue for water-skiing, jet boating and rowing. The Wairoa i-SITE Visitor Centre is located on the corner of SH2 and Queen Street.

Experience some of Wairoa's rich heritage by exploring the easy 7.5km (15km return) off road shared cycle/walkway beside the river and out to the wildlife lagoon. See sites of historical significance along the way, sharing the stories of Māori and European settlement. The ride starts at the historic Portland Island Lighthouse in town: it follows the river before heading up and over Pilot Hill, continuing beside Whakamahi Road to finish at Whakamahi Lagoon Wildlife Reserve.

Wairoa also boasts a mountain bike park with Grade 2-4 trails. It's located at Fraser Street, on the outskirts of Wairoa Township. Membership can be obtained through Adventure Wairoa's website.
