

The logo is a circular emblem with a sunburst background. In the center, a kiwi bird is depicted in profile, facing right. Above the kiwi, two stylized human figures are shown: one on the left with arms raised in a 'V' shape, and one on the right with arms crossed. To the right of the figures, a bird is shown in flight. Below the kiwi, a banner contains the text 'TOYOTA' in a smaller font and 'KIWI GUARDIANS' in a larger, bold font. The entire logo is rendered in black and white.
