

GODLEY HEAD - GO BACK TO 1939!

1. Cave Dwellings: Can you see the old cave dwellings below? Wonder who lived there?
2. Nesting Colony: Little blue penguins nest below. Luckily they're protected by a predator proof fence.
3. Boulder Bay: Run down to Boulder Bay for a paddle. On the way look for shore groundsel with its pretty yellow daisy flowers.
4. Taylor's Battery: Check out that view! On a good day see over 100km up the Kaikoura Coast.
5. High Cliff Face: What happened to the red cliffs in 2011?
6. Camping: How about camping amongst the heritage buildings? Which one is the Quartermaster's Dry Store?
7. Battery Observation: What's in the water? A Dolphin? A Whale? An enemy submarine?
8. Underground Bunker: Solve the mystery of the underground bunker.
9. Battery Observation: Battery Observation Post - climb up for a bird's eye view.
10. Black Rock Track: Wonder where the track got this name from?

Health and Safety:

Keep an eye out for rockfall hazards on parts of the track. While the track is safe, we recommend that in the areas indicated by signage on the track, that you just keep moving! Please be mindful of where children are at all times.

Approx Distance and Time: 9km - 3 hrs. Might take longer with small children.
