

# DUNEDIN BOTANIC GARDEN - THE GARDEN QUEST!

1. Pine Tree: How many arm lengths is the biggest pine tree trunk?
2. Horoeka/ Lancewood: See the different life stages of horoeka growing.
3. Alpine Zone: Look out for the mini alpine area, what kind of plants are growing there?
4. Rātā: Can you find the climbing rātā tree creeping way up high?
5. Tree Fern: Tree ferns are hiding in fern gully. Can you find them?
6. Mokokoko/Skins: Tip toe quietly through the rock garden, you might find some Mokokoko sunbathing on the rocks.
7. Rock Garden: Find the memorial lookout seat in the rock garden and play I spy!
8. Aviary: Who is the loudest singer in the aviary?
9. Aviary: Who has the longest beak, the south island kaka or the kea? Careful to keep your fingers out of the aviary.

## Health and safety:

Please bring appropriate footwear. Some of the tracks are very steep, and many are made with loose gravel. Only guide-dogs allowed.
